

# WARDROBE SHOPPING GUIDE

# 5

## **Open Wardrobe**

Compared with traditional closets, open closets can be used more conveniently.

# 82

## **Children's room**

Ensure adequate play space and meet learning needs.

# 45

## **Sliding Door Closet**

The choice of various materials can meet the needs of different people.

# 99

## **Hinged Door Wardrobe**

Compared with the access door, the swing door has the advantages of low price, good sealing and long service life.

COMPANY  
PROFILE

# ALLURE

ALLURE was born in Foshan, the capital of building materials in Guangdong, China in 2008. It has been stationed in the home building industry for more than ten years and has developed into a senior enterprise integrating R & D, design, production and sales. We take pride in ALLURE, and endeavor to deliver exceptional quality in everything we build. According to the standard of high-end customized brands, ALLURE strictly selects the mainstream materials in the market such as lacquer, veneer, sintered stone, solid wood, PET, etc. The products on sales divided into five categories include cabinets, modular cabinets, wardrobes, bathroom cabinets, and whole-house customization. With the craftsmanship of creative group, ALLURE blends the beauty of log with urban style in a masterly way, opening up a high-end customized lifestyle for thousands of families.

We are strong believers that beautiful and inviting spaces should be livable for all kinds of families and our work really illustrates that philosophy. In this field of tension between a value-oriented attitude and the enthusiasm for novel furnishing, we develop cabinets that are precise and full of character.

Consumer aesthetic and consumer behaviors have been in an updating iteration and ALLURE always keeps pace with the times. Our philosophy of development and service continues to make ALLURE Cabinetry standout in value, design, quality, and craftsmanship.

# SLIDING DOOR CLOSET

## ALLURE

The access door has a variety of materials that can be customized to meet the needs of different people. For example, some people like the texture and color of wood, which gives a natural and simple feeling of softness, while others like the space reflected by glass.

The stable aluminum frame structure of the door and its high cost performance ratio will be your best choice.
